【Style redefined】 : Awaken your senses as well as your taste buds every morning at breakfast with the inspire 2 Slice Grey toaster. Be drawn in by its unique design of entrancing, textured ripples that endlessly wrap around every corner.

【Frozen, cancel & reheat settings】 : Whether you want to toast a slice of bread straight from frozen, save your toast from burning or reheat it on those hectic mornings to a time that's more convenient for you - it's all at the press of a button.

【Lift & look feature】 : bringing convenience and safety to your morning breakfast routine. You can take a sneak Peek at how the browning of your toast is doing, without cancelling the cycle. Removable crumb tray & Variable browning control dial.

Cancel, Reheat and Defrost Settings

Easily toast from frozen, reheat forgotten toast and cancel the program if needed, with multiple functionality.

Variable Width Slots

The Equip toaster can evenly toast a range of bread thicknesses with ease, thanks to the variable width slots.

Variable Browning Control

Adapt the settings according to your taste, ensuring perfect browning every time.

Removable Crumb Tray

Removable trays collect crumbs from everyday use, and allow you to efficiently dispose of them without making a mess.
