【All in One】 : This versatile product functions as an air fryer, rotisserie, oven and dehydrator, perfect for nearly any rapid cooking or baking task. Make healthy fries with less or no oil that are perfectly crispy and tasty, roast a whole chicken or dehydrate that leftover produce you' ve been meaning to eat.

【Cooking Simplified】 : This multifunctional air fryer cooks faster than a traditional oven and does not require preheating, helping you achieve a healthy, crispy fried finish using at least 98% less oil than traditional fryers. The capacitive-touch control screen display is easy to use - from frying and roasting to dehydrating and baking.

【Superior Convenience】 : Interior lighting allows you to easily watch your food as it cooks. Removable drip tray and dishwasher-safe parts make cleaning a breeze.

【Crowd】 : Extra guests, or just extra hungry? Either way, this air fryer rotisserie was thoughtfully designed with the whole family in mind. The spacious 5-litre unit allows you to make enough food for the whole family right on your worktop, without having to heat your oven.

Extra-Large Capacity

The spacious 10-litre family-sized capacity is perfect for easy weeknight dinners, prepping school lunches, baking festive desserts, or even entertaining a crowd.

17 Cooking Presets

Cook meals at the push of a button with three cooking functions and 17 easy presets. Plus, the rotate button turns your air fryer into a rotisserie pro.

Dishwasher-Safe Accessories

For added convenience, all stainless steel accessories are also dishwasher-safe, so you can prep, cook, and enjoy without worrying about cleanup.

Air Fry

Achieve the crispy, fried finish that you love right at home. Restaurant-quality meals can be ready in minutes using little to no oil at all.

Rotisserie

Mix things up with the simple rotisserie function, perfect for evenly cooking shish kebabs, or whole chickens using the dishwasher-safe rotisserie spit.

Dehydrate

Preserve your favourite fresh fruits and vegetables and create the perfect portable snack with the dehydrate function, also perfect for DIY herb mixes in minutes.

Bake

Forget about firing up the oven, create less heat in the kitchen & save time by cutting out preheating, bake your favorite sweets & sides right on the counter.
